WIREWOUND ELECTRONICS PVT.LTD.

Z CT Current Transformers For Quick Reference (Pin Type)

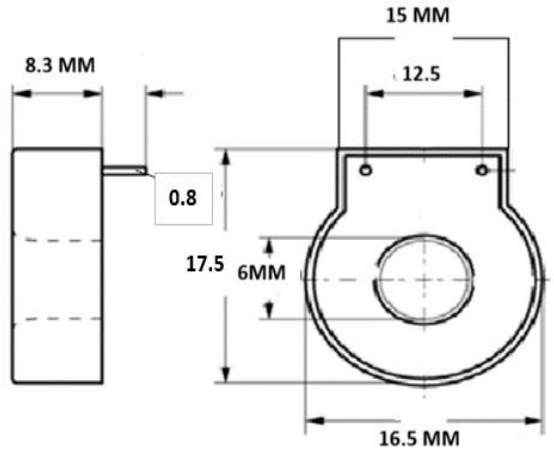

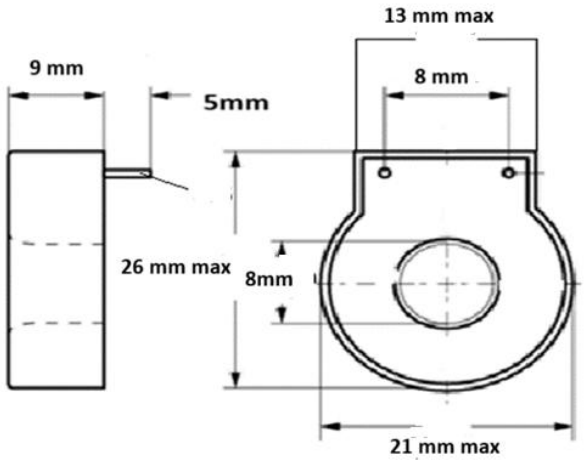

TYPICAL APPLICATIONS: current monitoring, load sensing, and fault detection within power supplies, industrial controls, and electrical distribution panels

SPECIAL FEATURES

- Cost-Effective:
- High-Voltage Isolation
- Excellent Linearity
- High Output Voltage
- Current monitoring, load sensing, and fault detection within power supplies, industrial controls, and electrical distribution panels

Sr No	Part No	Primary Current	Turns Ratio	DCR Value	Ø	H	W	Pin Pitch
1	CT-AC 405	5A	1 : 400	15 Ω	6.0	17.5	16.5	12.5
